

Bursaries Offered
Leavenworth International Accordion Celebration
June 16 - 19, 2022

In person performances are returning this June! The Leavenworth International Accordion Celebration committee is pleased to announce that bursaries will be available for young competitors. The term, “bursary”, is more widely used in Canada; for those in the United States the “bursary” is likened to a scholarship. To receive a bursary, a young person must:

1. be age 18 or under on June 18, 2022
2. participate in at least one individual competition category, Artistry, or Private Coaching/Evaluation
3. submit a letter **in the student’s own words** stating his/her goals, interest, and plans for studying and playing the accordion and include how they intend to use the money. A handwritten letter is preferred but typed letters will accepted. All letters may be sent electronically (scan/email) or via the postal service. bursaries will be awarded during the awards ceremony at LIAC; no bursaries will be given to an individual without the submission of a letter posted as directed below
4. **bursary letters may be sent with the competition form**
competition forms completed online require a letter sent separately to the following address.

Submissions for bursary and competition will be addressed to the
Leavenworth International Accordion Celebration

10610 N Iroquois Dr
Spokane, WA 99208

Scanned letters may be sent to

rick.eileenw@comcast.net or dorisosgood@frontier.com

Letters must be post marked on or before June 6, 2022.
